## DEPARTMENT OF PUBLIC UTILITIES

### ORDER OF NOTICE

D.P.U. 14-86

June 5, 2014

Joint Petition of the Department of Environmental Protection and the Department of Energy Resources requesting the Department of Public Utilities to adopt the avoided costs of complying with the Global Warming Solutions Act, using the marginal abatement cost curve method, in assessing the cost-effectiveness of energy efficiency programs.

The Department of Environmental Protection and the Department of Energy Resources (collectively "the Petitioners") are required to publish the attached Notice of Filing and Public Hearing, no later than ten days before the date of the public hearing, in either The Boston Globe or the Boston Herald. The Petitioners are also required to serve a copy of the attached Notice of Filing and Public Hearing by electronic service, no later than ten days before the date of the public hearing, on the service list in Investigation by the Department of Public Utilities on its own Motion into Updating its Energy Efficiency Guidelines, D.P.U. 11-120 (2011). In addition, the Petitioners must serve a copy upon any person who has filed a request with the Petitioners. Also, the Petitioners shall prominently display a copy of the Notice of Filing and Public Hearing on their respective websites from the day following receipt of the Notice through the date of the Public Hearing. The Petitioners are directed to make proof of publication and return of service at the time of the public hearing.

By Order of the Department,
